WHY I LIKE JANEVILLE

Can you beat it? Nowhere. When Janesville is mentioned that the thing is right you just go ahead and dance the Gopher or brown. Note that the Y. W. C. A. has gained the fund necessary of the year and has more collected. That is another reason for liking Janesville.

AN OPEN LETTER TO MAYOR WELSH

An event of such unusual importance as the presentation of Cecil B. De Mille's master achievement, "ADAM'S RIB" is worthy of the serious attention of every citizen of Janesville. It is for this reason that I have taken the liberty of addressing this open letter to Your Honor so that the full significance of this event will be driven home to every man, woman and child in the community.

"ADAM'S RIB" is more than a picture. It is a work of art and those who have seen it in the largest cities of the United States have marvelled at its beauty, gasped over the wondrous glories of the settings and pondered over the serious message that De Mille drives home with such striking force in his powerfully dramatic story of the flapper of today.

Bobbed hair, rolled stockings, dimpled knees, luring lips—what shall be done with our modern daughters? Is there anything in their heads but jazz? De Mille shows you in "ADAM'S RIB."

This latest Paramount production is easily one of the most entertaining pictures of the year. It will be presented at MYERS THEATRE starting SUNDAY, April twenty-second. The management is pleased to extend to you a cordial invitation to see it.

Very truly yours,

MYERS THEATRE,

Chas. G. Boutin, Manager.

WOMEN REFUSE TO ENDORSE LEAGUE

World Movement to End Wars
Is Urged; Officers
Elected.

Des Moines.—The National League of Women Voters Saturday refused to endorse the League of Nations, as constituted, but urged that the United States "associate itself with other nations" in a movement to abolish war.

Through the convention refused to go on record as favoring the league, the delegates expressed strong sentiment for steps to eliminate the causes of war and to take the steps which shall go farthest toward the world court recommended by the national administration.

The convention also urged the appointment of a body to be known as the international suffrage alliance in Rome next month. Mrs. Jessie Daniel Ames, president of the Texas League of Women Voters, was named as delegate to the Mexican congress of the North American association, which convenes in the early summer in Mexico City.

The officers elected were: Miss Belle Sherwin of Ohio, first vice president; Mrs. Solon Jacobs of Alabama, second vice president; Miss Ruth Morgan of New York, third vice president; Miss Katherine Lundington of New York, treasurer.

Legion Dance to Be Gala Affair

Bucks, gobs and leathernecks; shavetails, gold leaves and officers—all former service men of the World war who tripped and shot and danced, Tuesday night. The occasion is the second annual military ball of the Richard E. Ball post, Janesville American Legion.

The first bar from Kayser's orchestra will be struck up at 9 p. m., at the armory.

Informal is the word sent out about this year's ball. A touch of the military will be given by the wearing of uniforms by many.

Special decorations have been hung, everything is being done to make the event a big send-off. Merchants of the city are cooperating by giving their windows special attention, showing souvenirs of the battle-fields of France and Belgium.

5 YEARS OF COUNCIL GOVERNMENT ENDS; LAST MEET TONIGHT

A. J. Gibbons and Mrs. Emma H. Manning. Their bonds and oaths will be accepted by the old council, Monday night.

Tuesday's session will be the more unusual because it will mark the presence of a woman on the city council for the first time in history. Mrs. Manning having won seventh place in the election of two weeks ago, having a plurality sufficient to assure her of a one-year term at least.

One of the first measures of business for the new council will be the election of a president or chairman. Rules of order will be adopted and meeting dates doubtless will be fixed. It is not expected a manager will be hired for several months, some 50 to 100 applications being on file.

Flowers are expected to be profuse, as has been the case in former governmental changes.

J. J. Dulin, fifth ward, is the oldest alderman, in point of service, on the present council and has served as its president for the past five years. Mr. Dulin served several terms as alderman in the old council up to 1912 when it gave way to the commission form of government. In 1913, with the return of the aldermanic form, Mr. Dulin was again elected alderman and has served continuously since.

Other members of the first council after commission rule were: E. L. Badger, L. D. Cronin, E. H. Ransom, T. E. Welsh, Emil Paulz and Arthur Jones. Of this group, only four are still in office: Mr. Welsh being mayor, and the others being aldermen.

In the 1919 election T. E. Welsh, the present mayor, was elected and W. J. Hill succeeded him on the council, with E. F. Kelly being Jones' place. These were the only changes.

The next year, W. W. Menzies replaced True, Walter Helms succeeded Cronin and George L. Traver succeeded Paulz.

In 1921, with two wards created, there were many changes in the council. John C. Harlow, George Smith, C. J. Smith, J. Sheridan, L. J. Cronin, J. Jensen and A. J. Gibbons became members.

In 1922, A. L. Hemmens succeeded the late George Smith and George Esler took Hemmens' place when he resigned. Thomas Smith, defeated Traver and Maurice L. Weirick and Glenn L. Gardner became members of the council succeeding C. J. Smith and Walter Helms, respectively.

The present council is composed of L. D. Horn, John C. Harlow, first ward; George H. Esler, W. W. Menzies, second; A. J. Gibbons, J. K. Jensen, third; Thomas Smith, J. Sheridan, fourth; L. J. Cronin, E. F. Kelly, fifth; M. L. Weirick, E. H. Ransom, sixth; and Glenn L. Gardner and L. J. Cronin, seventh.

POINCARÉ DECLARES FOE IN ABLE TO PAY IN COAL (BY ASSOCIATED PRESS.)

Paris.—Reaffirming France's intention to withdraw from the newly occupied territory only as Germany makes her reparations payments, Premier Poincaré, in his Durkirk speech yesterday, stated that three months in the Ruhr had convinced France of Germany's ability to meet her coal deliveries.

The address, delivered at the dedication of monuments to Dunkirk, 1,500 hundred war dead, contained a vigorous renewal of France's determination to "carry out" to win "the peace" as she had bent every effort to win the war.

Three months in the Ruhr, the premier said, had convinced France that Germany could have made the coal deliveries if she had bent every effort to win the war.

It was evident that the Reich was able to get along without the Ruhr coal.

"We have further proof that she could have won us an easy peace change," he added, "as she now spends large sums abroad."

DODGING POSTAGE IS FAVORITE GERMAN GAME

Berlin.—Dodging the payment of postage is becoming one of the great pastimes in Germany, and the federal postal authorities are hot on the trail of business firms and others who have inaugurated their special mail delivery services.

The first victim pointed out by the postal department was Lord Mayor Booss of Berlin.

It was found Berlin's municipal administration had organized its own corps of letter carriers, to do away with buying postage stamps, and the case was taken to court.

Two of the city's leading counselors, as well as Lord Mayor Booss, were summoned to answer for their alleged breach of regulations, but the highest local court decided against the postal department.

COURT TERM ENDS; IMPORTANT CASES

Wisconsin.—The spring term of the Wood county circuit court ended Friday, after disposition of a calendar of cases of importance.

The conviction of John Magnusson for first degree murder, growing out of the death of Mrs. James R. Chapman by a Christmas bomb, was the outstanding feature. There was an acquittal in the case involving Mrs. Lucille Daugherty and her mother, Mrs. Dora Elchorn, charged with the murder of Adolph Vitum, a mill hand.

Sentences imposed on liquor law violators were: John J. Jones, 12 months; and John J. Jones, 12 months.

Long jail terms for some of the offenders. Due to the length of the criminal calendar, civil cases were carried over to the fall term.

LATEST MARKET REPORT

Weekly Livestock Review

Chicago.—Raising of wages for packing house employees will be followed by a rise in the price of live stock and meat products. It is hoped, will give additional stimulation to live stock prices and stiffen the market. The fact that the market is in a position to absorb a large volume of live stock is a factor in the market. The market was steady with fairly good trading movement. The market was steady with fairly good trading movement. The market was steady with fairly good trading movement.
